

THANK YOU

for participating in Magnified Giving's philanthropic giving program! It's people like you that make the world a better place.

We're here to help you. BBB Center for Ethics is partnering with Magnified Giving to expand students' understanding of philanthropy and donating. We are your resource when it comes to questions about local and national nonprofits; governance and financial matters; and giving wisely of your time, talent and treasure.

Need assistance? Here are 3 easy options:

With one week's notice, our staff can come out to your group
